EXPERIENCE - When tapping a Market Card

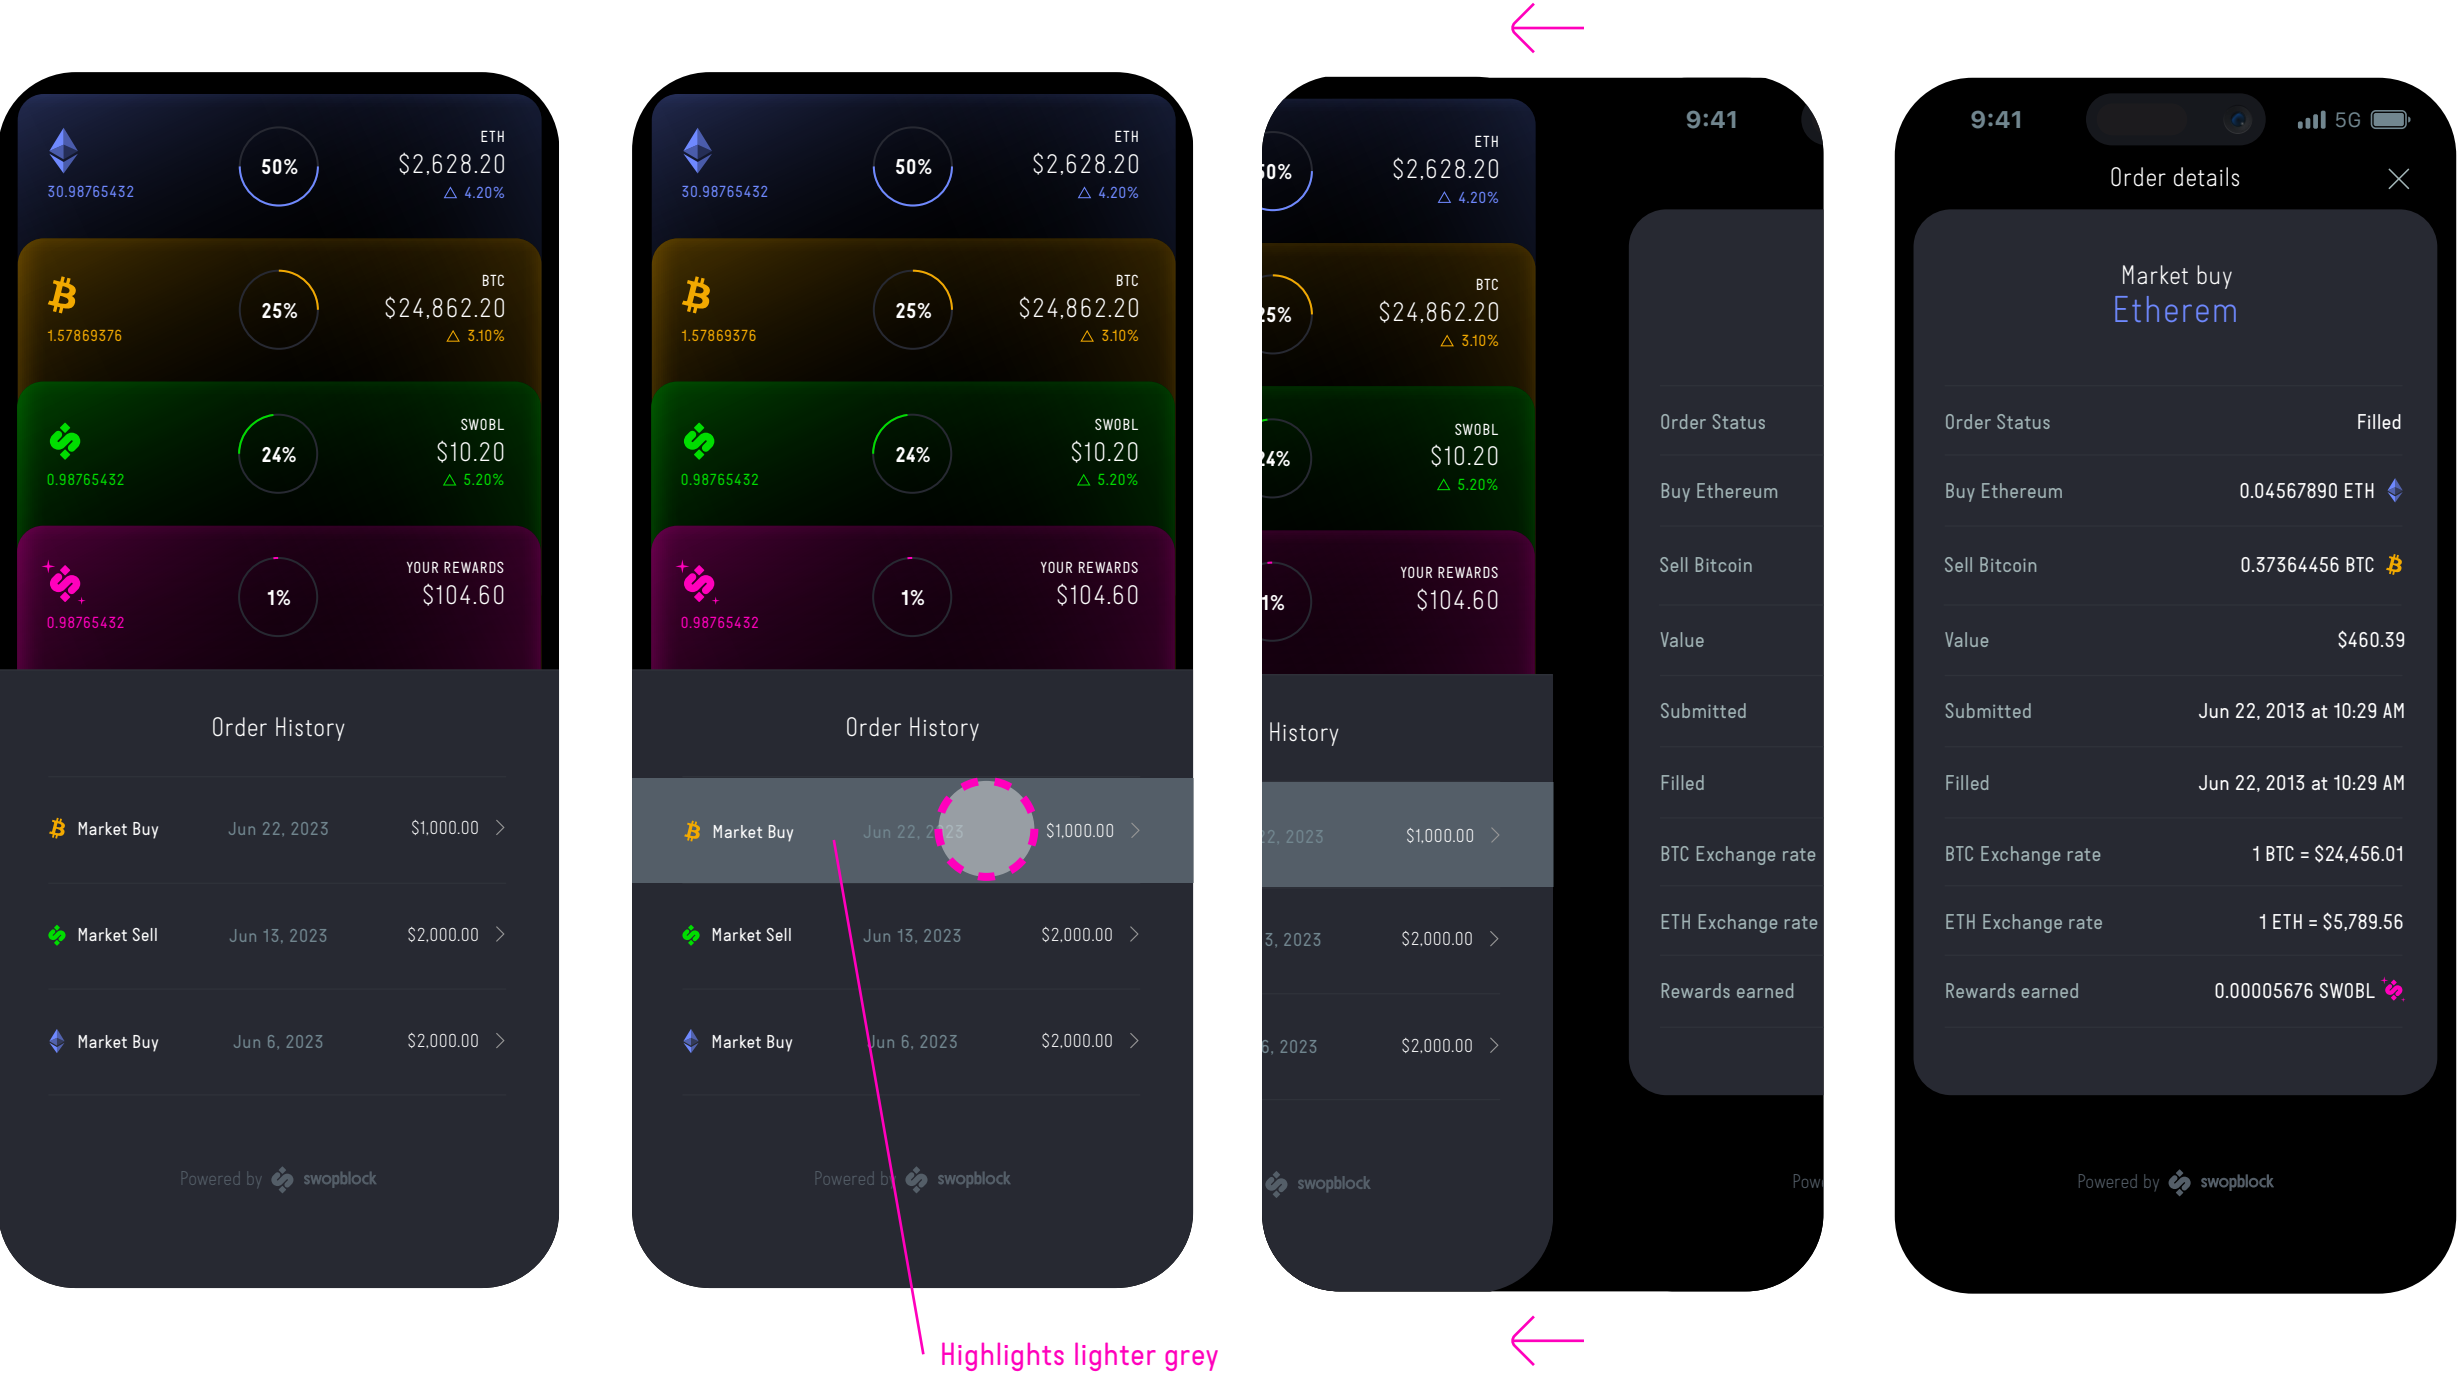

EXPERIENCE - When touching/holding and moving the SCRUB

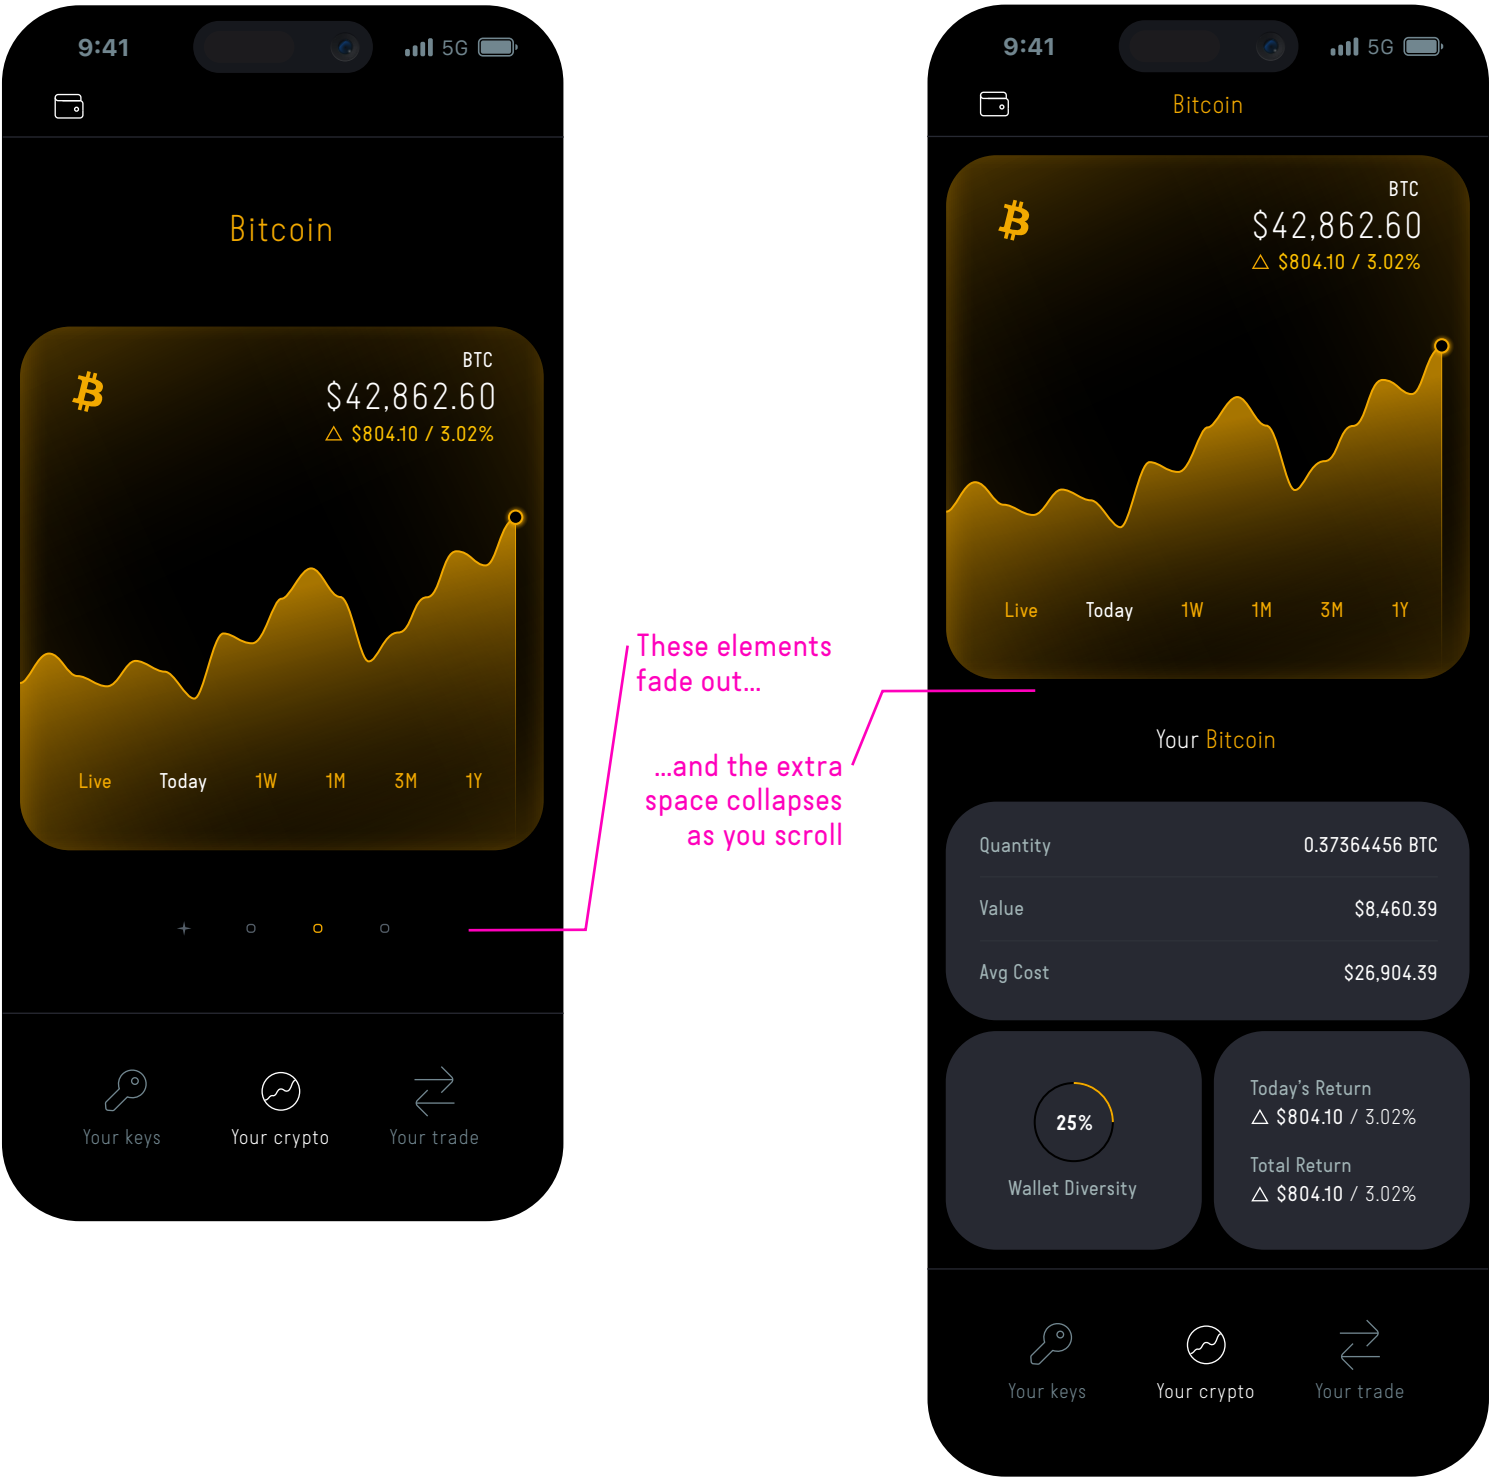

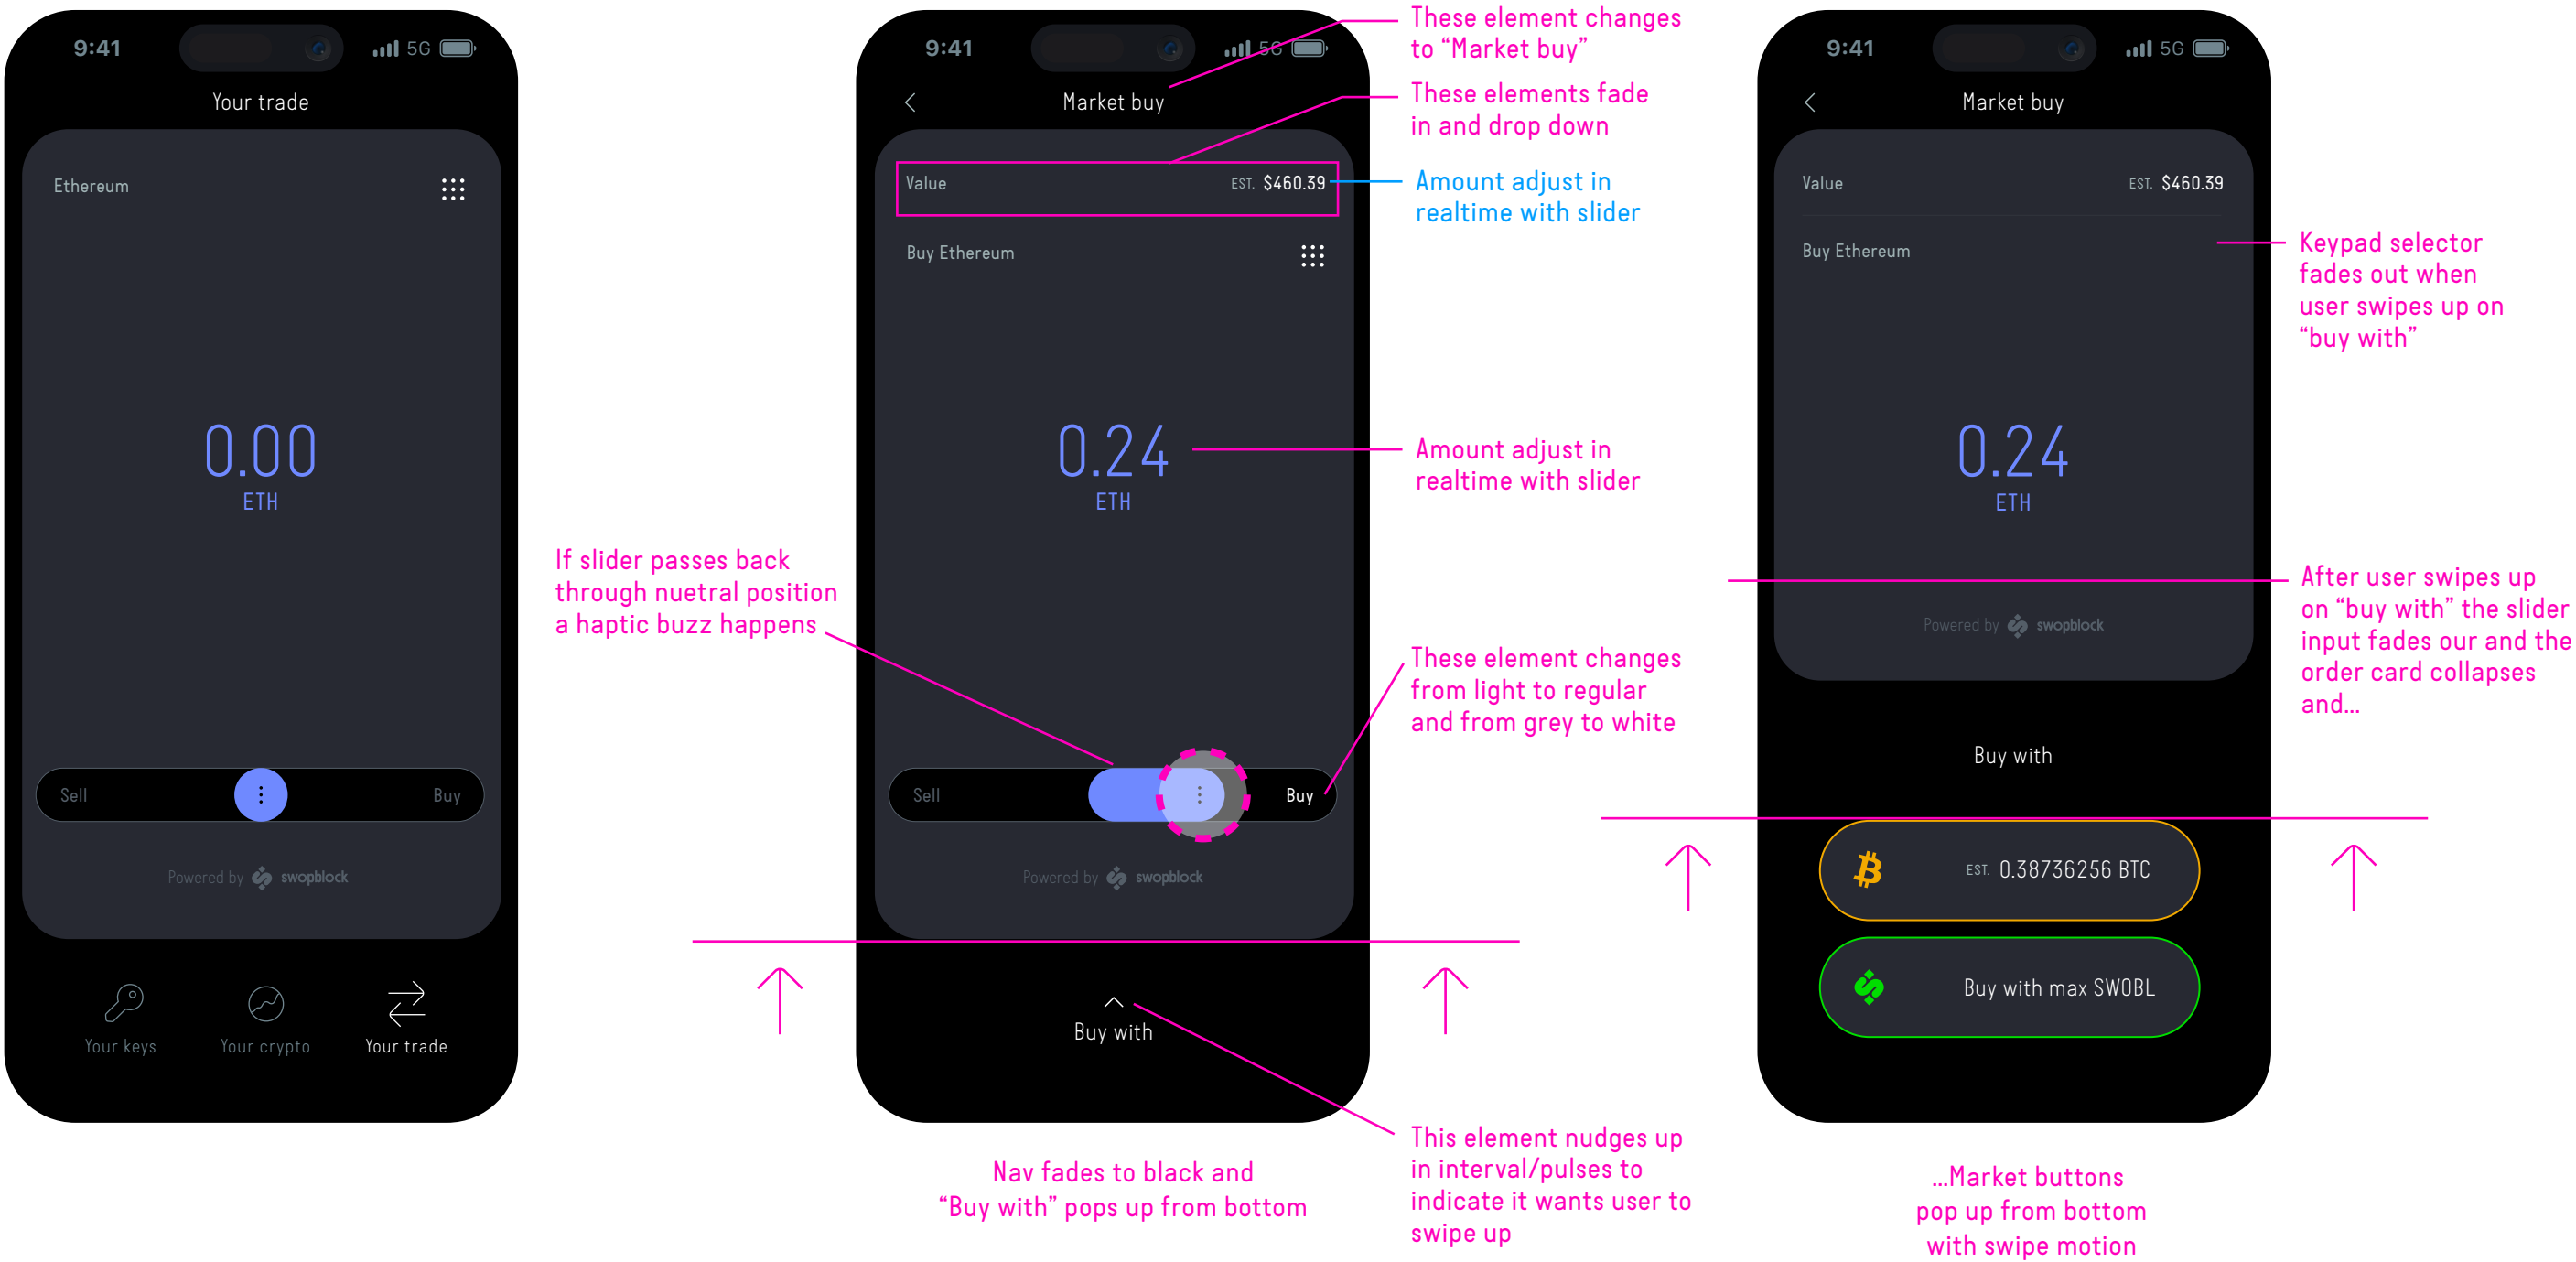

EXPERIENCE - When tapping an order summary

EXPERIENCE - When scrolling up and down on the Market Page

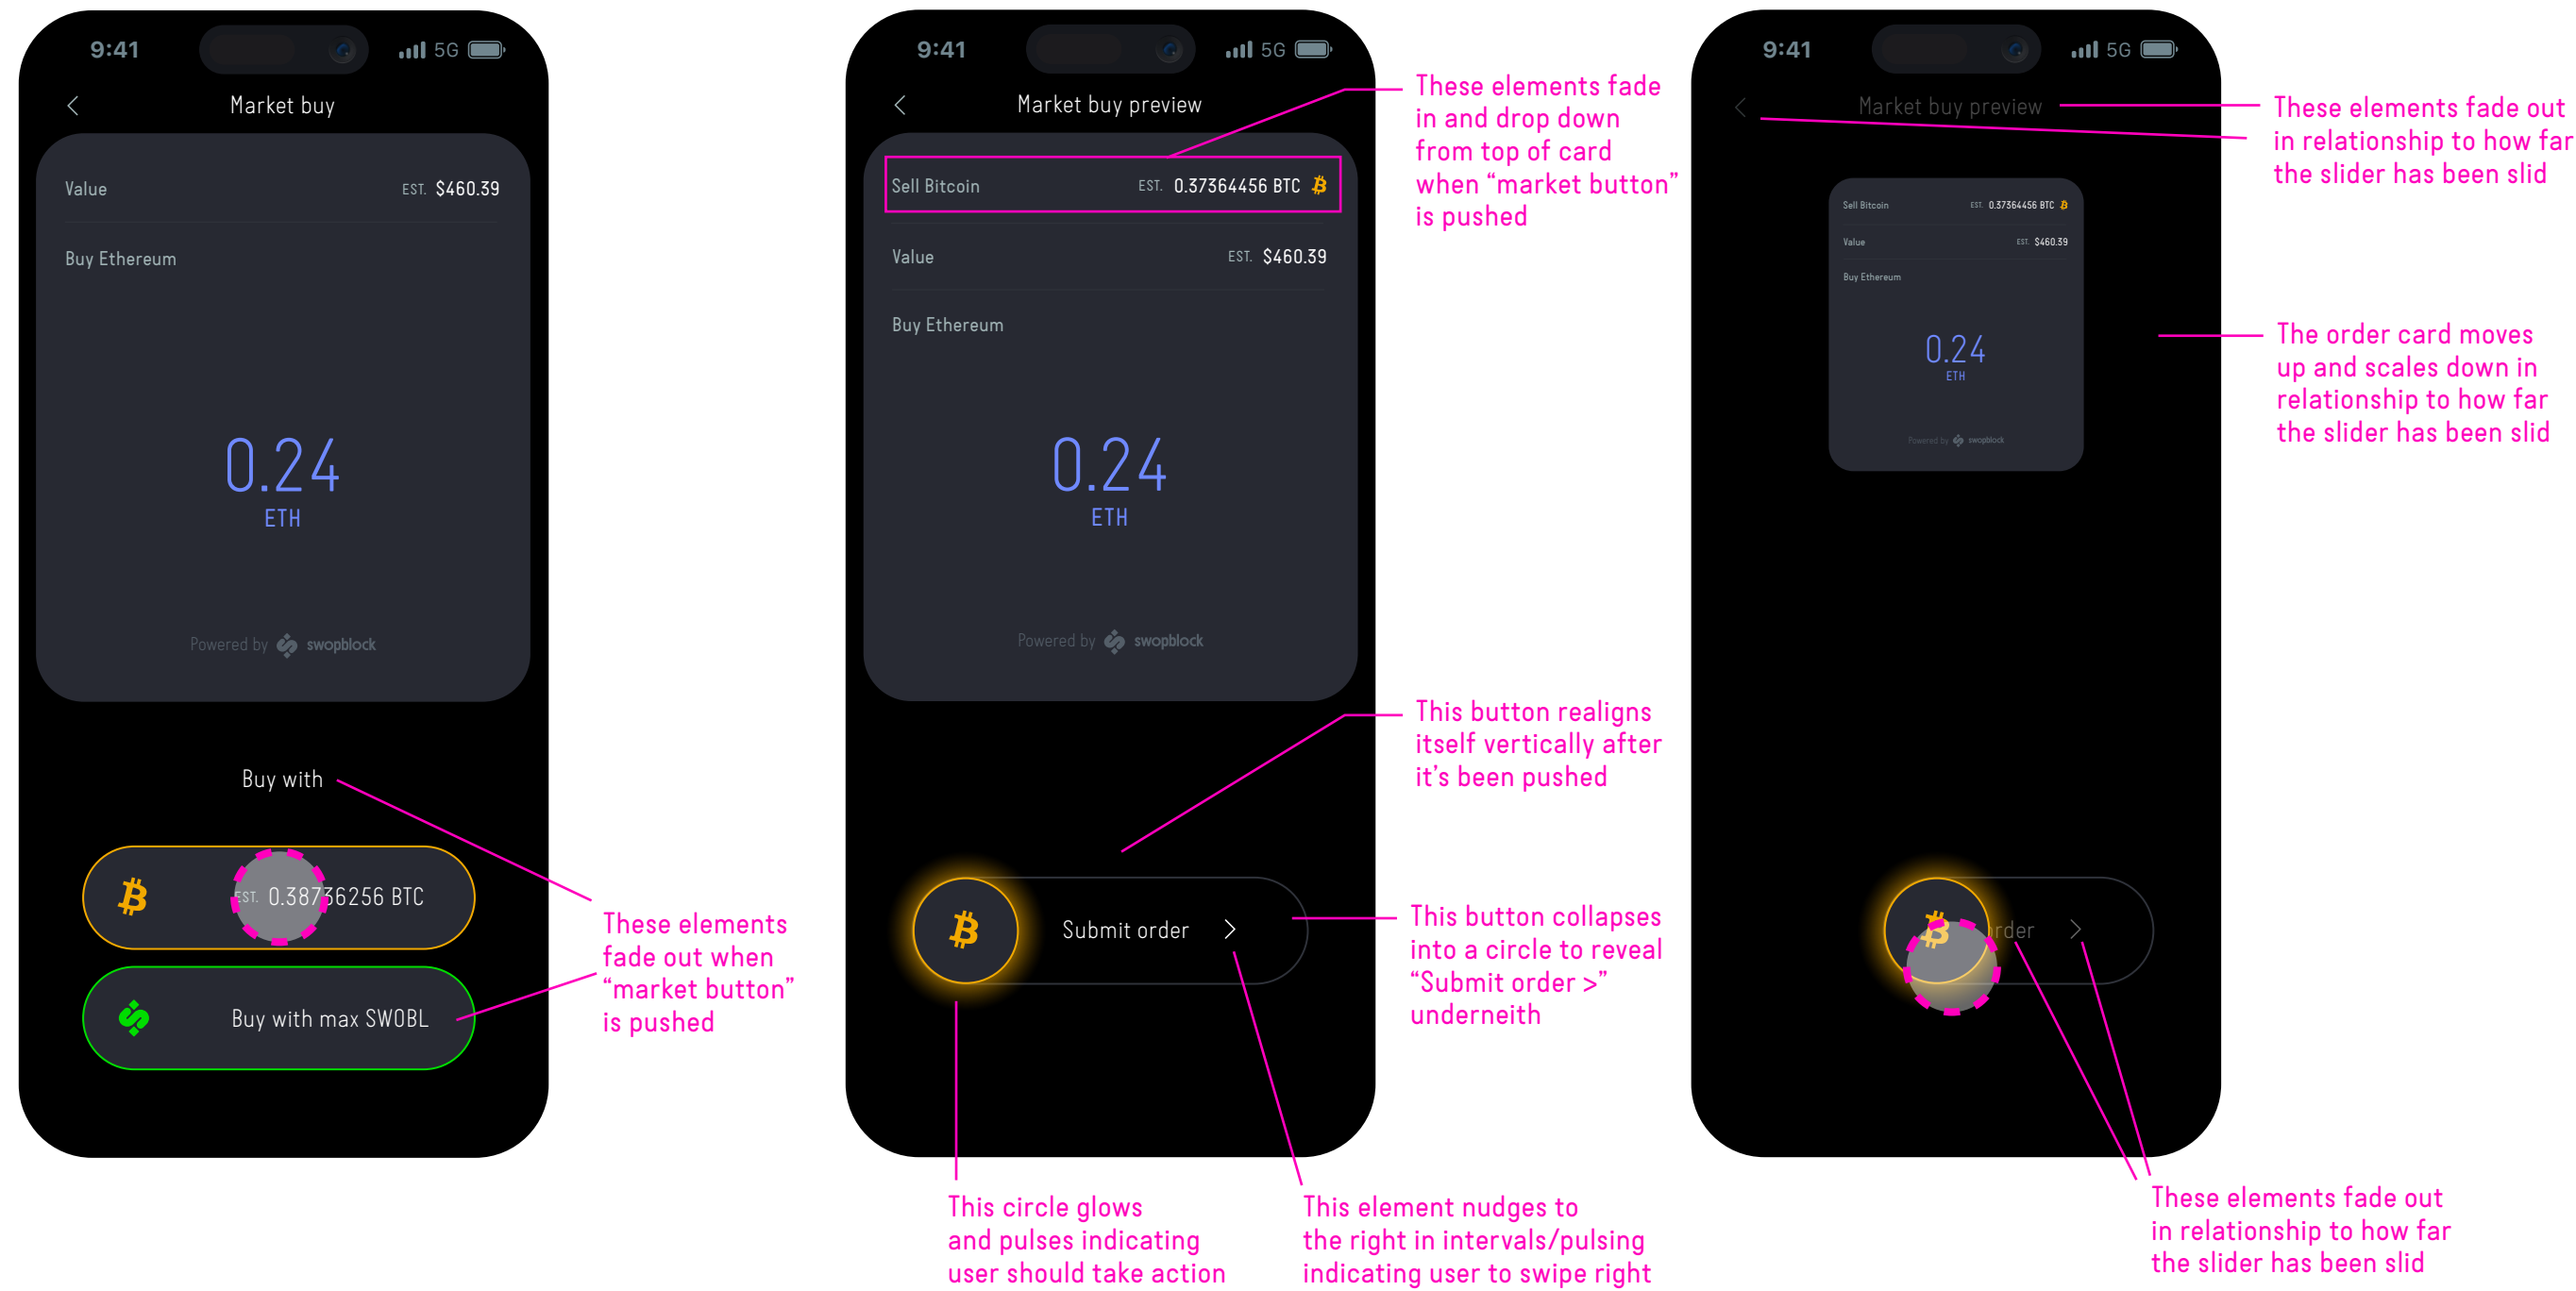

EXPERIENCE - When sliding the slider input and swiping up on the “buy with”

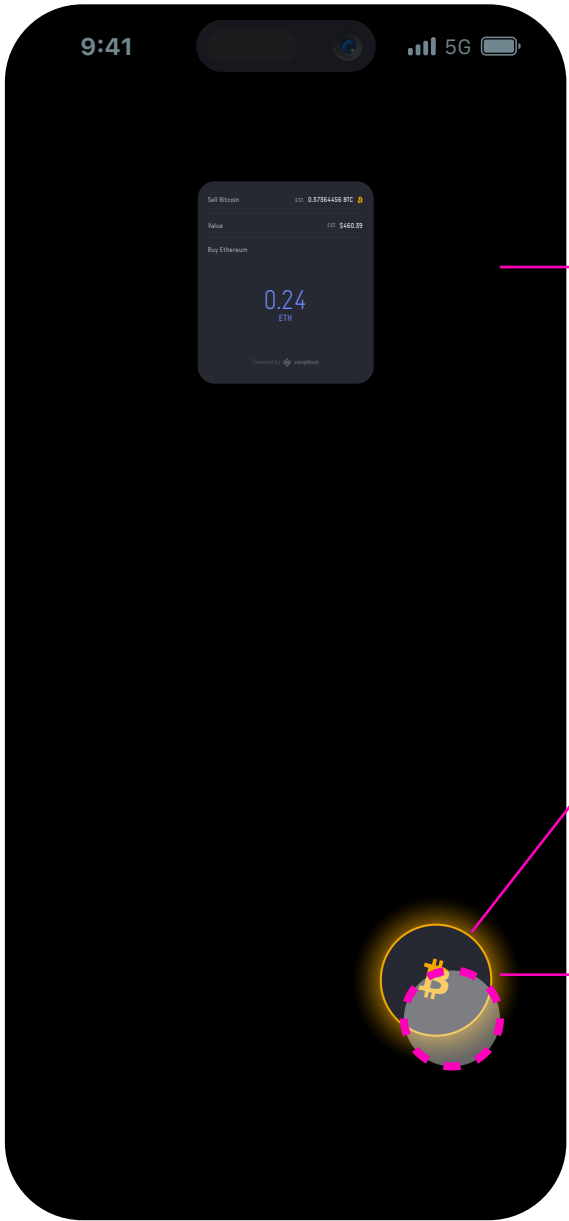

EXPERIENCE - When tapping the Market button and sliding it to submit order

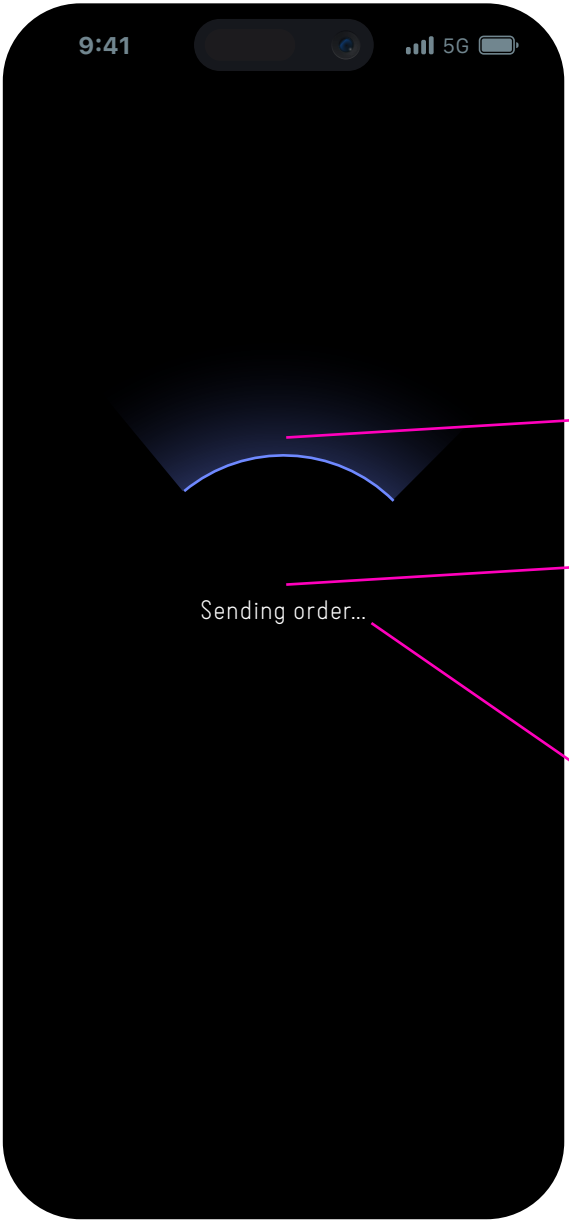

EXPERIENCE - When finishing sliding to submit order

When slider hits the end the "order card" scales down farther and fades out quickly

When slider hits the end there is a haptic buzz

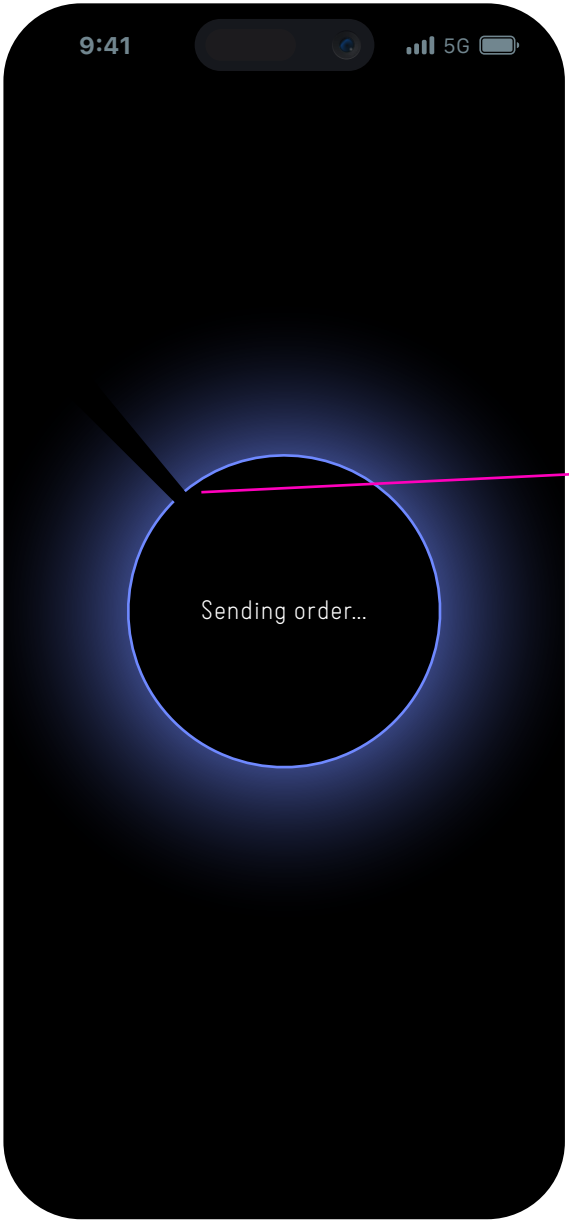

When slider hits the end this element scales down farther and fades out quickly

Loader circle starts to animate and the glow increases as it creates a circle

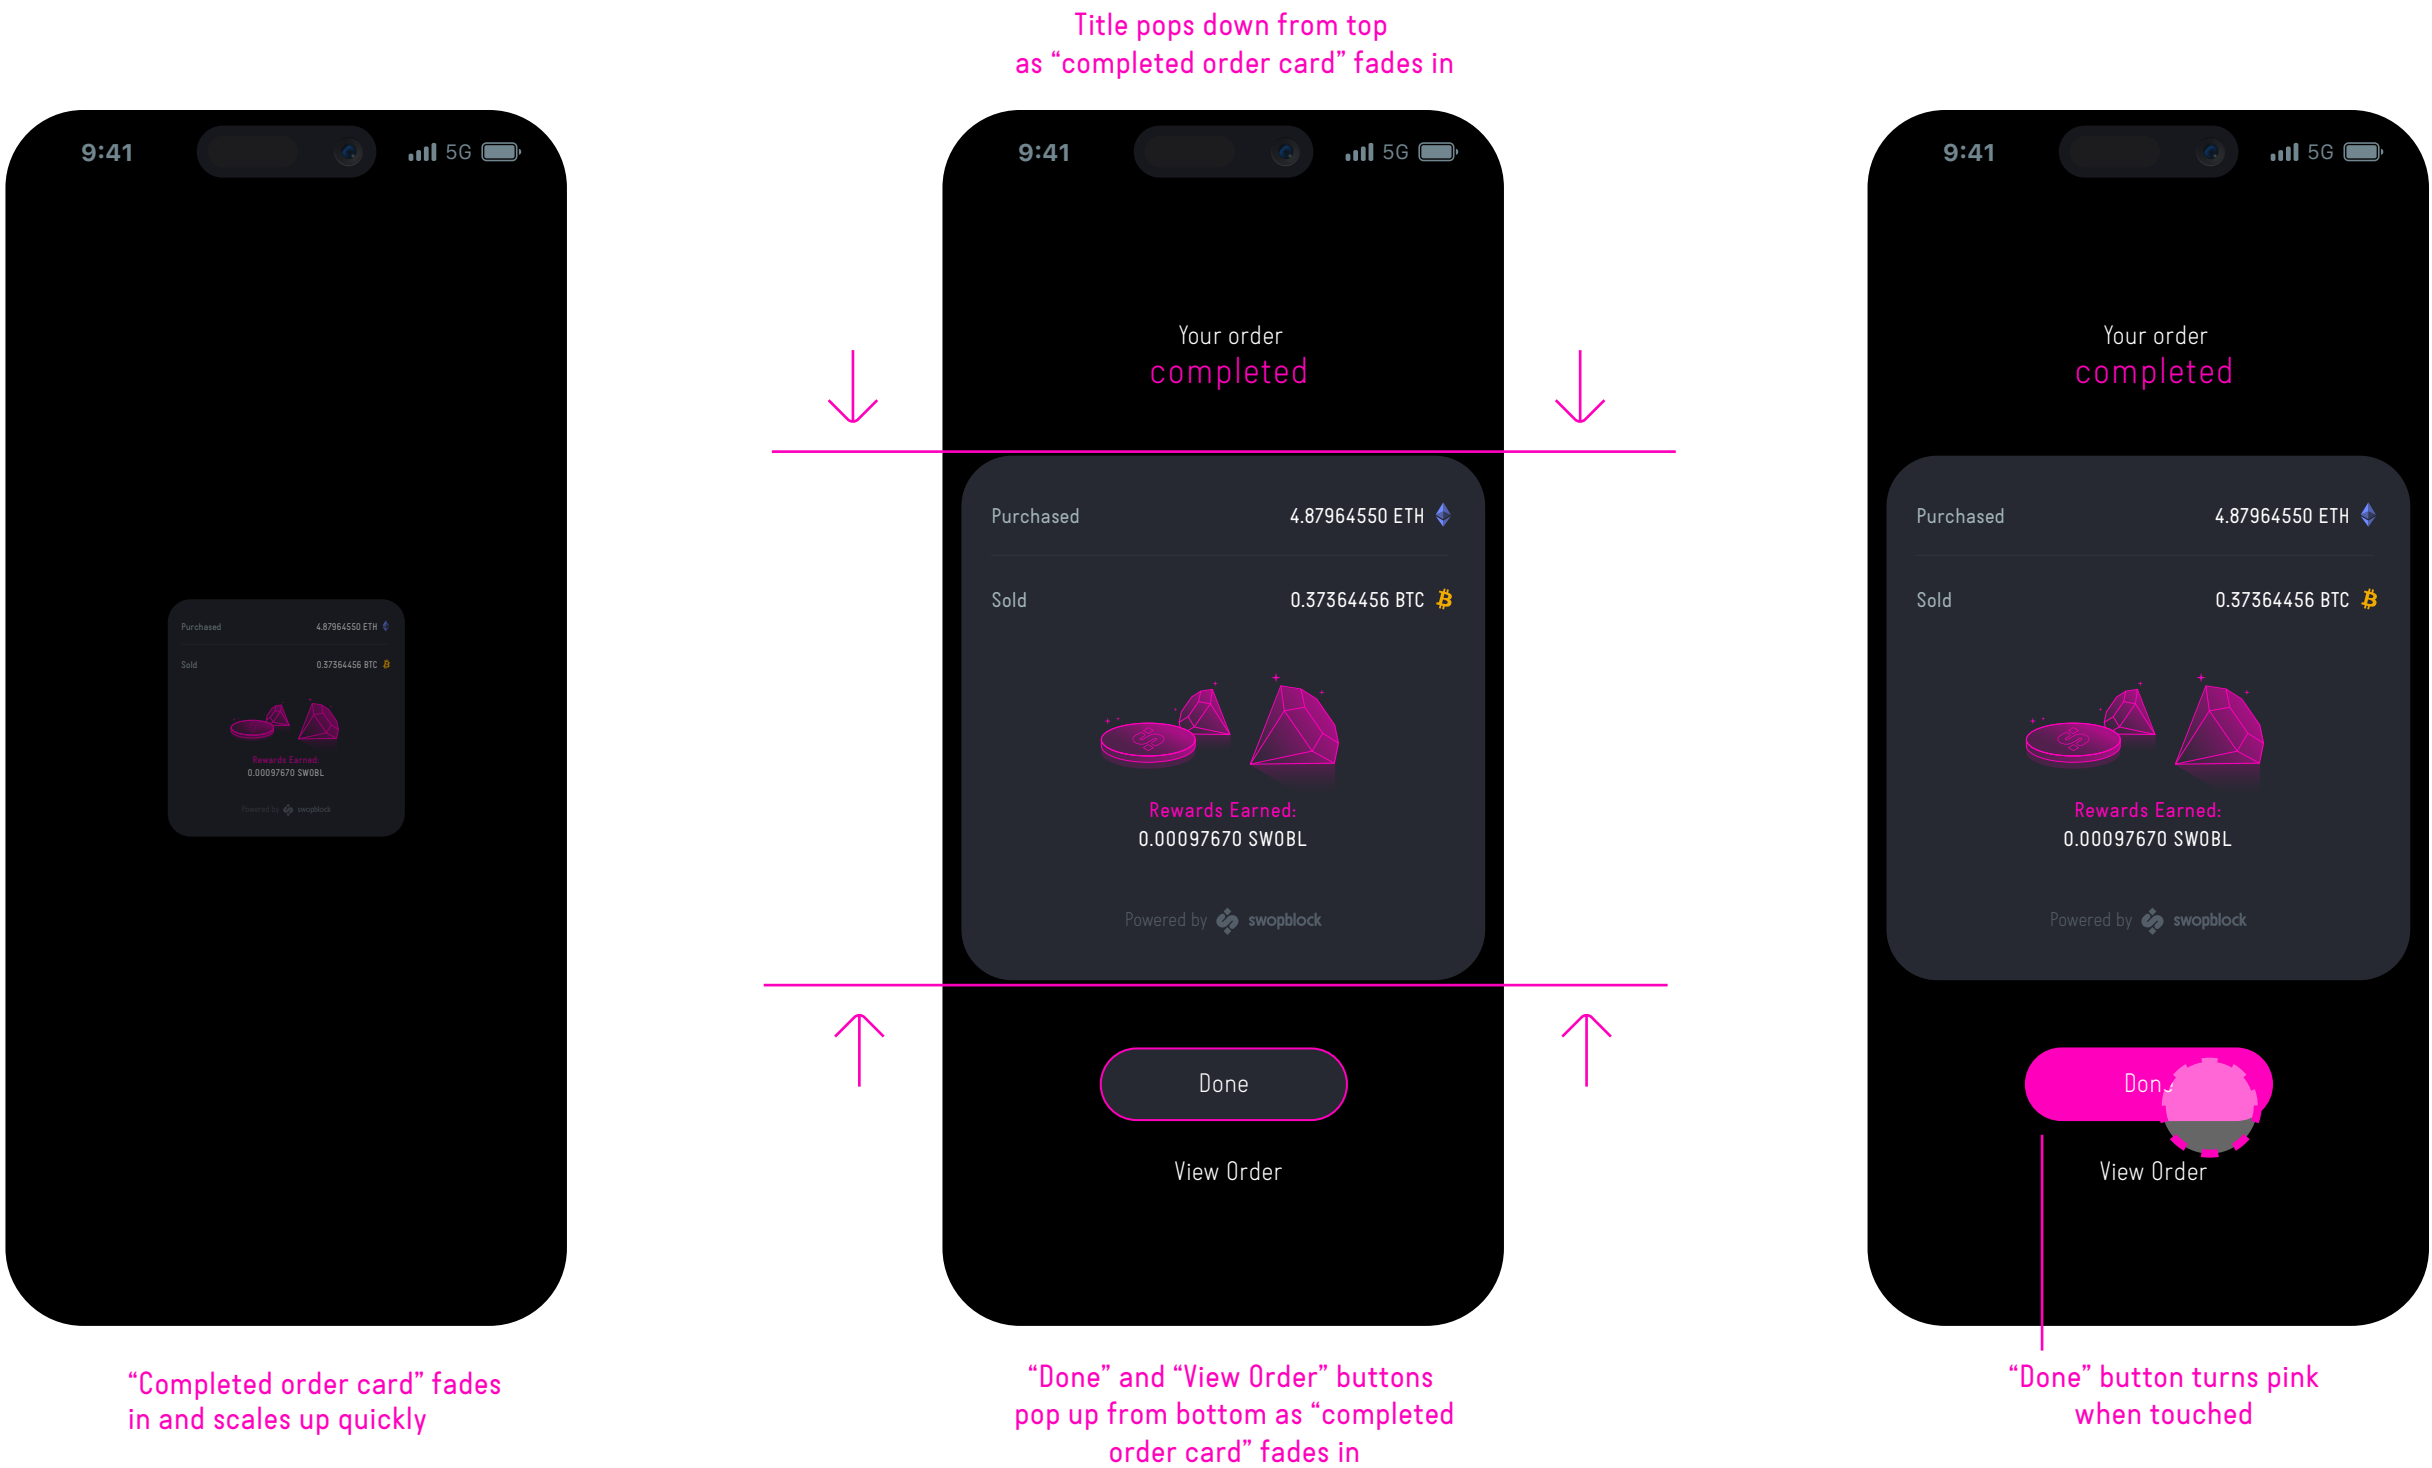

This element quickly fades on

These three dots animate on one by one over and over

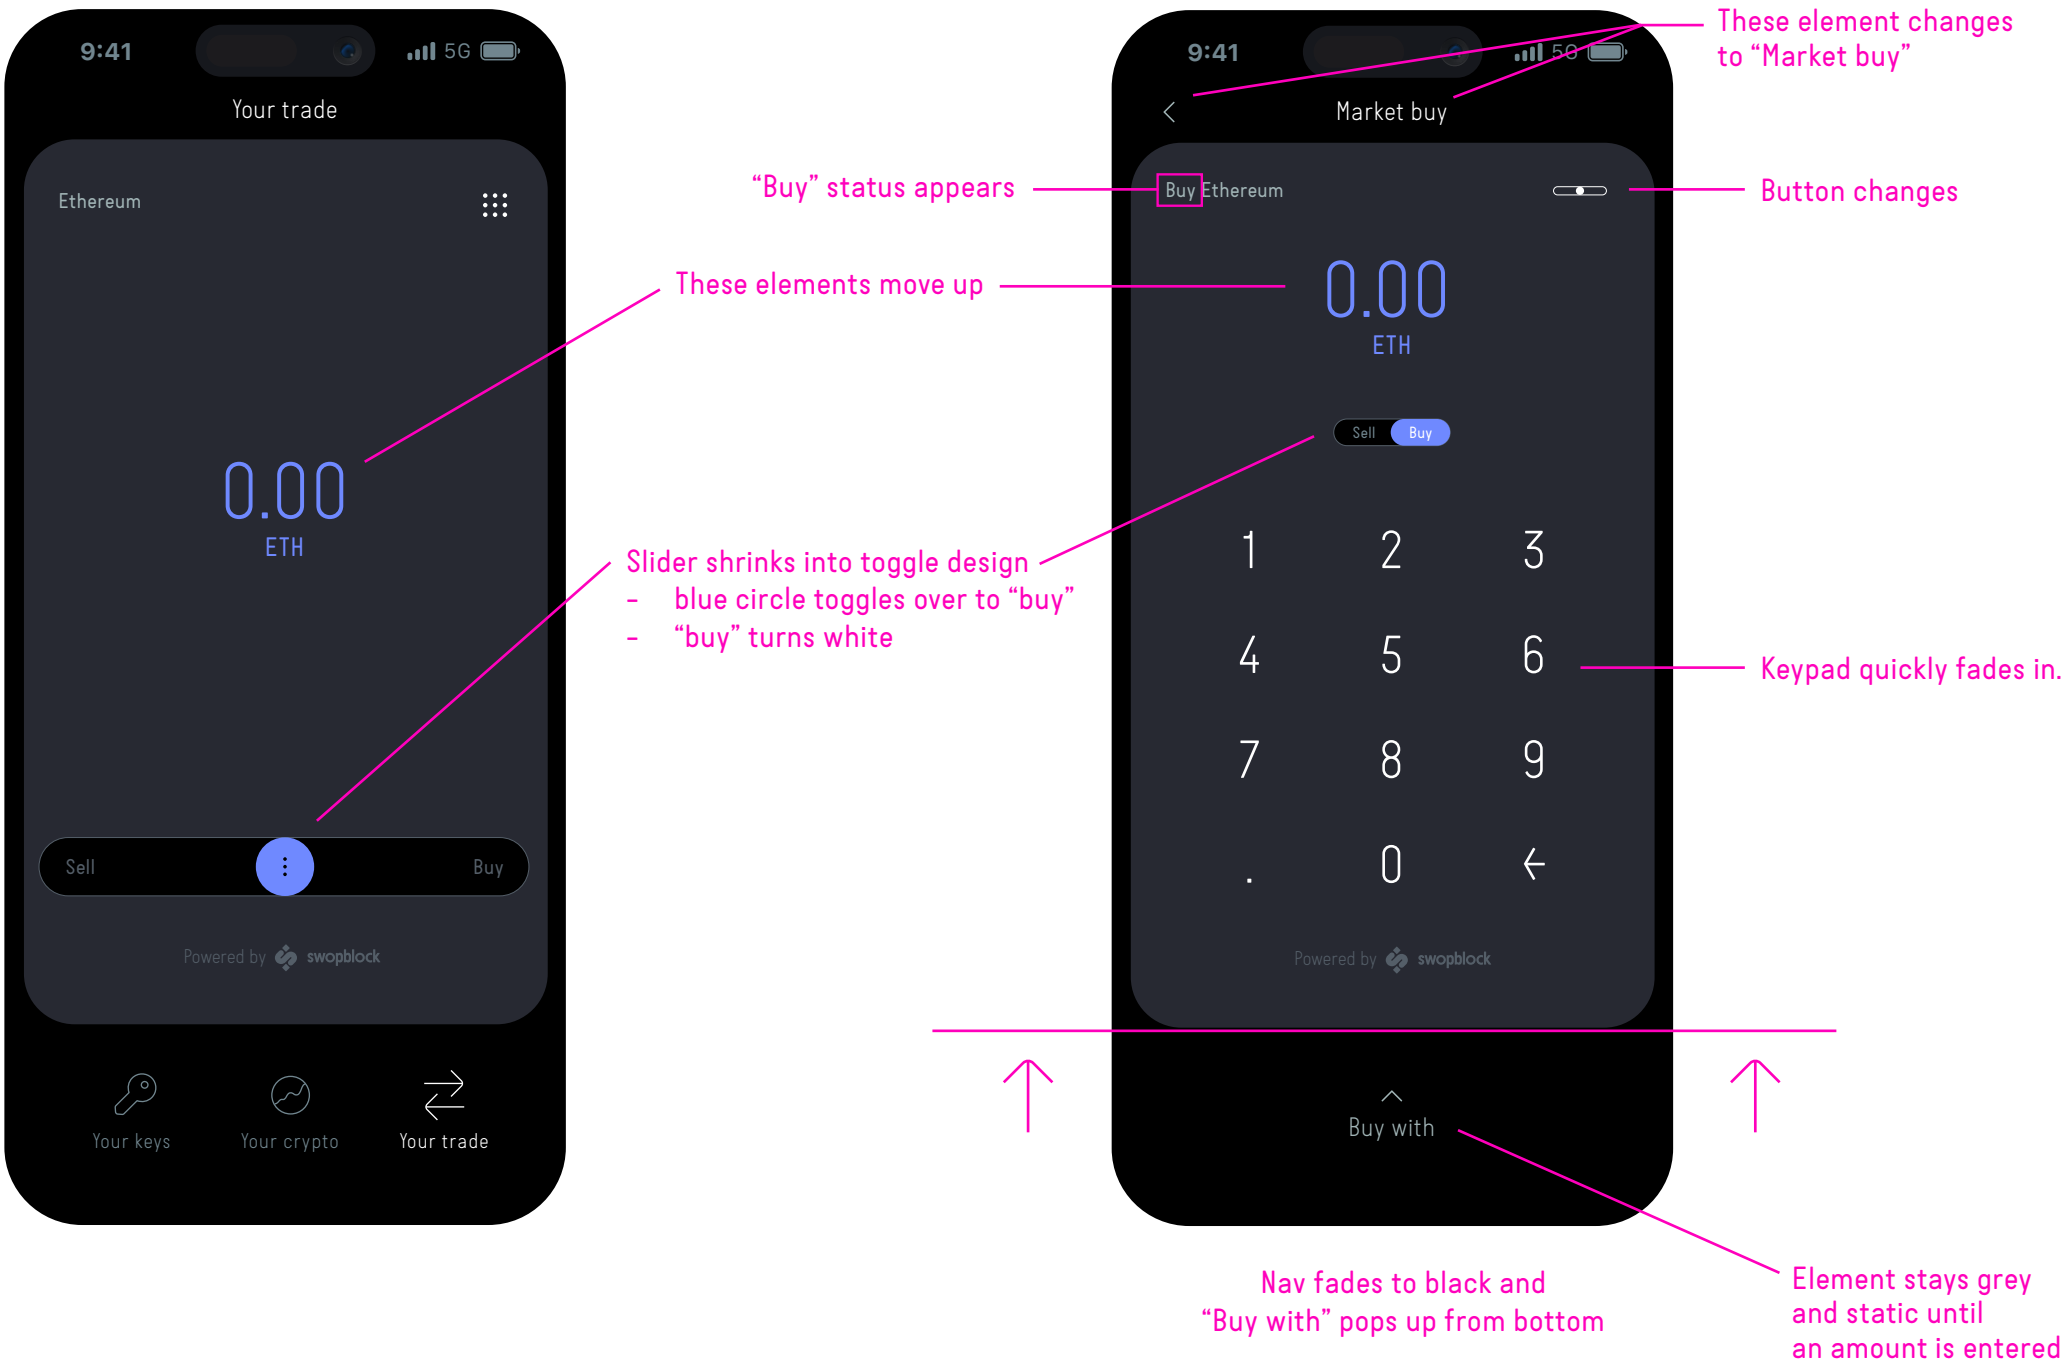

When circle completes elements quickly fade out

EXPERIENCE - Order confirmation animation

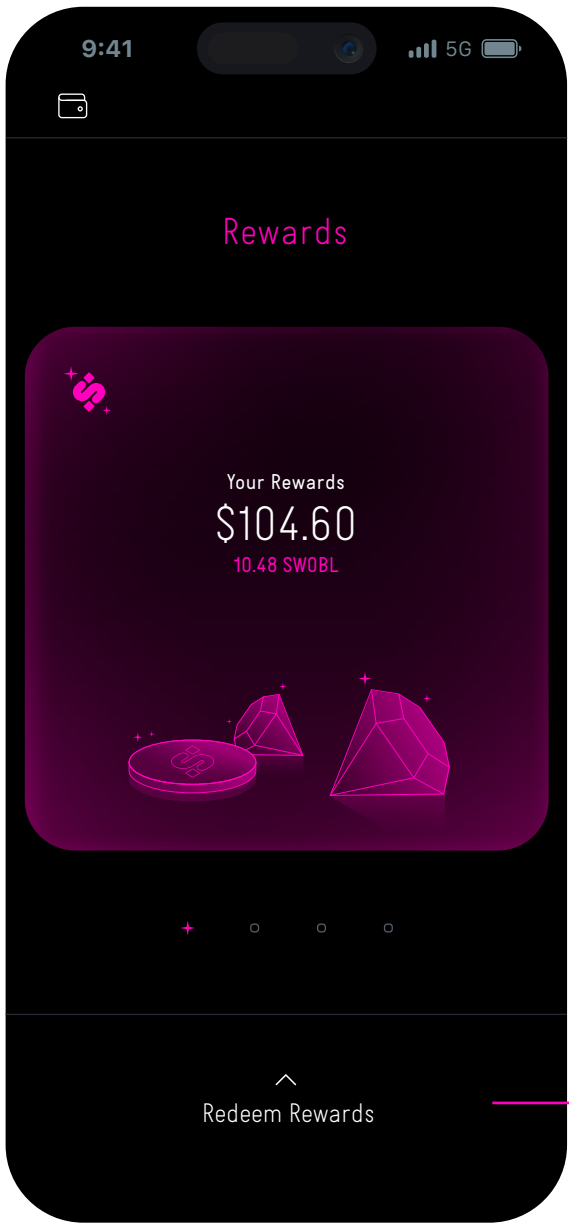

EXPERIENCE - When “Keypad Selector” is pushed

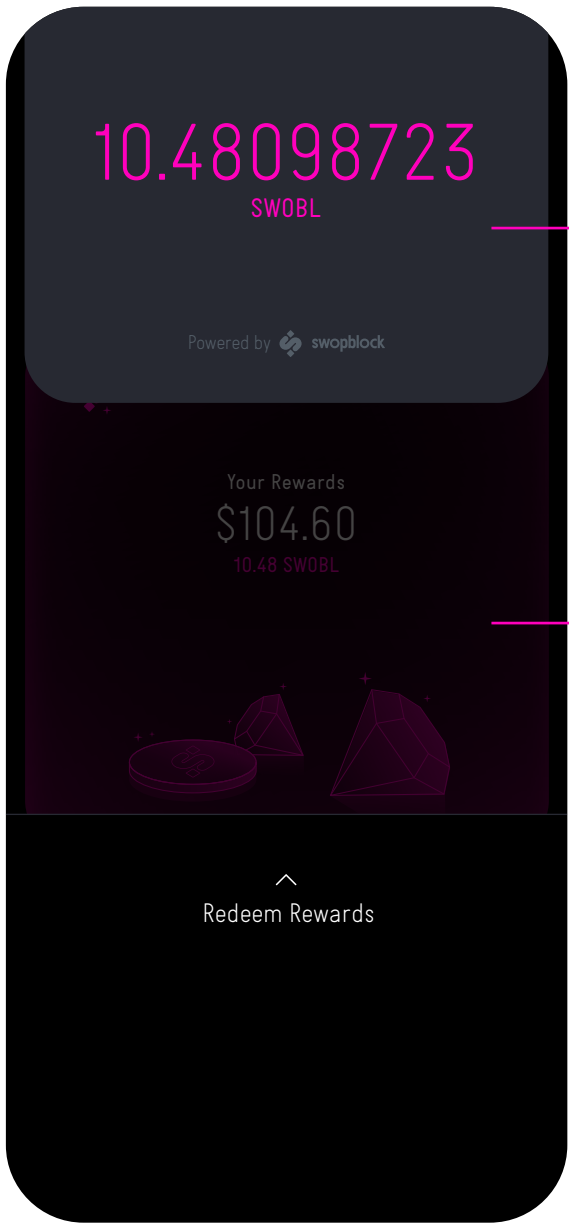

EXPERIENCE - When redeeming rewards

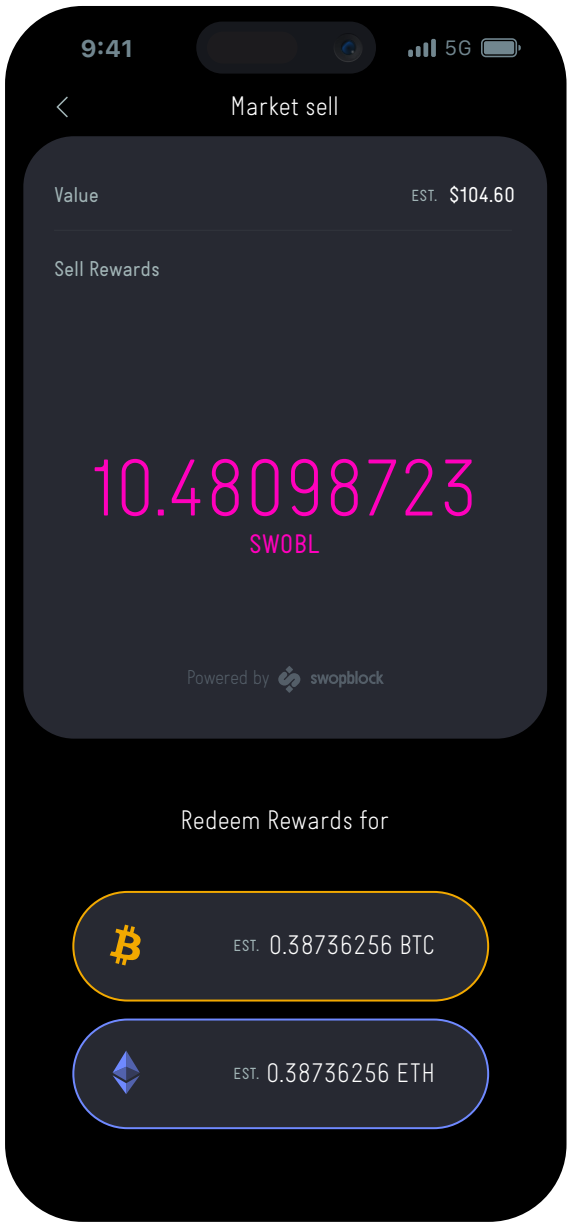

Swipe up

Order card drops in from the top

Elements fade out
